West River Revolving Loan Fund Application Information

The West River Foundation for Economic and Community Development, a private non-profit corporation, governs the West River Revolving Loan Fund. The loan fund was established to assist community projects and new or expanding businesses in Western South Dakota. The fund works closely with local banks, other loan funds, state and federal agencies in financing projects. A completed application form is necessary for the fund to evaluate the proposed project and make recommendations to the loan review committee.

The fund generally requires a minimum of 10% equity contribution from an applicant and participation (depending on the loan type) of a commercial lender.

If loan funds are committed, they must be used within 60 days. If funds are not used within 60 days, interest will accrue at the rate specified for your loan or the funds will be returned to the West River Foundation.

The fund encourages applicants to apply for financing through local financial institutions and other loan funds – local, regional, state and federal programs, and may require documentation from a financial institution that it cannot finance the entire project, thus creating the need for a partner (the fund) to participate in a loan to make the project successful.

In addition to this application, the applicant is also asked for additional information, which includes a business and financial information and supporting documents (see the following page). A non-refundable application fee of \$100 is payable at the time an application is submitted. After fund review, the Loan Review Committee will review the project and make the final decision. The applicant will be responsible for all closing costs associated with their loan. You and your business are assured privacy. Financial information and any trade secrets that you may have will be held in confidence and considered as needed in executive session or at meetings that are closed to the public and deemed confidential pursuant to state law.

For new construction or remodel/expansion projects, the applicant must have approval from the loan review committee prior to beginning the project. Failure to do so will jeopardize loan fund eligibility.

In accordance with federal regulations, successful applicants to the West River Revolving Loan Fund are encouraged to hire employees that make below poverty level income
